## ExtraTour® Details

**ExtraTour**® is a FREE interactive 45-minute tour that engages participants in a variety of health and wellness topics to active seniors, their families and caregivers. Hosted at your local CVS/pharmacy, **ExtraTour**® provides valuable information on health and wellness. This is an excellent opportunity for you to gather your staff, residents and their families for an extraordinary educational experience.

**ExtraTour**® is specifically designed to address the health concerns of active seniors. Ideal group size is up to 12 participants. They will tour the aisles of CVS/pharmacy for 45 minutes with time to shop after the tour wrap up. For the tour to be enjoyable, please be sure your group will be comfortable standing and walking for that duration of time.

All tours are free and organizations are encouraged to schedule multiple trips throughout the year to accommodate your staff all existing residents, their families and newcomers.
